Message from the Principal and Development Director of Nativity BVM High School

Value Then... Value Now... Values Forever

Dear Alumni and Friends of Nativity,

2022-2023 was truly a Golden school year at Nativity High School. All of our students grew academically, spiritually, and socially. The class of 2023 graduated 45 students and 91 percent of them will go on to a 2-year or 4-year program, or into the military to further their education.

We are proud to report that many of our students have once again demonstrated their exceptional talents and dedication by winning several prestigious academic awards! These accolades reflect not only their hard work but also the unwavering support of our dedicated teachers, staff and the entire school community.

Nativity prides itself on nurturing the development of the entire student. Our students are able to participate in a wide variety of extra-curricular activities including nineteen different interscholastic sports, theater, music and service.

Our Catholic Faith is at the heart of the educational process at Nativity. We receive constant positive feedback from our graduates and we know that we are helping to produce vibrant, energetic, hardworking, and successful young adults.

We are looking forward to a school year full of positive excitement and renewal of our Catholic faith, great academic achievements, success on the athletic fields, promotion of music and the arts and exceptional participation in all activities. The Nativity community working together ensures this success.

We appreciate all of the hard work and dedication of our parents, alumni, and friends. Thank you to everyone for continuing to make our school the "Shining Light Upon the Hill." As a family, we treasure our traditions and cherish everyone who makes Nativity a true family. There is no substitute for a Catholic education where Catholic values are lived every day!

Sincerely,

Lynn A. Lechleitner Sabol '76
